IV – Debt at Program Completion

Number of students who completed the program between July 1, 2010 and June 30, 2011: 64

Of the students who completed the program between the dates identified above, the number that had any student loan debt: 52

The Median debt (by type of loan) for all students completing the program between the dates identified above were as follows: \$12,000.00

Median Federal student loan debt: \$12,000.00

Median Private loan debt: \$0.00

Median Institutional financing plan debt: \$0.00

V – Program Completion in Normal Time

Normal time to complete the program: 52 weeks

On-Time Completion Rate: 6.25%

The “On-Time Graduation Rate” is calculated by dividing the number of on-time completers by the total number of graduates for the award year (7/1/10-6/30/11). The academic calendar for this program is continuous, rather than defined by semester dates. The Institute of Beauty and Wellness believes the “On-Time Graduation Rate” should not be the only measurement for determining the completion rate of its students. Consequently, the institution additionally provides the number of graduates for the award year who completed the program within 150% of the normal program length. This is a common measurement used in reporting graduation rates in other reporting for the United States Department of Education.

150% of the Normal Time-to-Completion Rate: 100.00%

VI – Job Placement

Job placement rate for program completers: 76.09%

This rate consists of graduates of The Institute of Beauty and Wellness between 1/1/09 and 12/31/09. All students included with this rate are working in the field as Licensed Cosmetologists. Graduates are strongly encouraged to report working at their place of employment as soon as possible after graduation and after passing the state licensure exam. Graduate placement data are obtained through mailed questionnaire cards, self-report, phone calls, e-mails, and social media. Other graduating students may include non-responders and those individuals seeking additional education. The graduate placement rate is reported to the School’s accrediting agency, The National Accrediting Commission of Career Arts and Sciences (NACCAS).

I – Program Name and Length

Department of Education CIP ID:	51.3501 Massage Therapy/Therapeutic Massage.
Standard Occupational Classification (SOC)	31-9011 Massage Therapists
Program Name	Massage Therapy
