

MASTERS TRAINING PROGRAM Cosmetology

Program Hours | Theory/Classroom: Total: 150 hours

20 weeks Mondays: 10 am | 6 pm

The Masters Training Program allows you to work professionally while increasing your technical skills as well as your earning potential.

The Masters Training Program with an Emphasis in Hair

Further your education and increase your technical skill in Cosmetology with The Institute of Beauty and Wellness' Masters Training Program. This advanced education program will provide extensive experience in cutting, dressing, color and texture with industry leaders and our Education Team.

Our intimate class size provides you the opportunity to work directly with world renowned guest educators. The program is designed to prepare you to meet the dynamic needs of the beauty industry by taking your skills to the next level through innovative hands-on techniques.

- Platform Artists
- Sassoon based Training
- Aveda Basic Advanced Color Techniques
- Editorial Dress Work
- Demonstrations each day plus two models

The Masters Training Program at The Institute of Beauty and Wellness provides you with an edge in a competitive field, making you a sought-after cosmetologist with a higher level of education.
