## **International Beauty Therapist Certification**

Expand your options and increase the value of your career. The International Beauty Therapist Certification is the world's most prestigious qualification in the field of Esthetics and Beauty Therapy. Comparable to a master's degree in academics – it's the highest degree an esthetician can obtain, and carries a similar level of prestige. Become certified to practice nationally and internationally.

Receive advanced training and professional licenses in massage, esthetics and manicuring as well as the prestigious International certificate. With our state of the art equipment, learn the latest information and techniques and study a whole body approach to wellness with the expertly trained instructors at The Institute.

If you do not plan on practicing internationally, the certification provides you with an edge in a competitive field, making you more attractive to prospective employers. The knowledge gained through the studies leading to the exam will provide a deeper understanding of esthetics, increasing the value you can offer clients, thus increasing your earning potential.

You will receive top-notch training in the following advanced subjects which will prepare you for your international examination:

- Microdermabrasion
- Chemical Peels
- Specialized Skin Analysis
- Electricity
- Corrective Facial Therapies
- Face and Neck Lymph Drainage
- Use of state-of-the-art skin care machines
- Photo/Light Therapy
- Studies in anatomy, physiology, nutrition, dermatology, chemistry and product ingredients
